## DRAWERS AND CONTAINERS ACCESSORIES—

Pragmatically Dada. No luxury or ostentation. The accessories rationally organize the interior space of drawers. The pan drawers hold pans, lids, plates, boxes and bottles. They have non-slip bottoms, wooden racks, adjustable plate holders and black steel trays. The drawers are made for smaller objects. The accessories are modular, to create the ideal configuration. Dividers for cutlery and tools, glass spice jars, black steel boxes and kitchen roll holders, wooden trays and knife block, bread board.
